\$ MONEY \$

Bringing you diverse and innovative music costs a lot of money and since we're non-commercial, we can't raise money the way most radio stations do. Our budget is small and barely covers what we are now spending. With inflation going up and our power recently expanded to 1000 watts, we need more money than we have. We need help from you, our listeners, to continue bringing you the best music and programs in town. Any amount you can send us, even \$1, will help. Please send donations to:
